

24) Mona Sams Home - Built in 1949 and was originally one of the schools. It was used as a school till 1958 when present school was built. After that it housed the library and kindergarten. In 1983 it was moved to this location.

25) Lorenzo Herget Home - Built in 1941 by Lorenzo Herget. Garage was built in 1945. There are outbuildings, fences a cistern and an irrigation ditch still on the property.

26) Zaugg Home - Original home is said to have been one of the first three homes built in Stirling. It was replaced by the existing home in 1949. Many of the outbuildings still stand. There are also fences, a cistern and hedge shelterbelt.

27) John Oler Home - Front part of home built in 1916 by John Oler. Home has been added to in the back. This property still has an irrigation ditch, a cistern, fences and shelterbelt.

28) Moroni Seely Home - Built in 1912 and was owned by Moroni Seely. The property has a cistern, fences, and the Bishops Storehouse on it.

29) Artie Seely Home - West side was built in 1908 by George Oler. Artie Seely purchased home and moved a building in and joined it to east side. The garage was at one time a granary. The barn was built by Artie Seely on Moroni Seelys property and moved to this site in 1930 when his father passed away. Still present are a root cellar, cistern, fence and slight sign of an irrigation ditch.
